INTERNATIONAL MASTER OF PUBLIC ADMINISTRATION AND POLICY

(IMPA)

<http://impa.mparuc.edu.cn/>

Program Description

- The School of Public Administration and Policy (SPAP) at Renmin University of China (RUC) is a leading institution of public administration and policy education in the People's Republic of China. It consists of 3 academic departments (public administration, urban planning and management, and land and real estate management) offering Bachelor degrees and 6 institutes (Institute of Public Finance and Public Policy, Social Security, Public Organization and Human Resources, Quantitative Analysis in Public Administration, and Non-Profit Organization) offering Master and Ph.D degrees. The areas of concentration include but are not limited to: public administration, land and real estate management, urban planning and management, public finance and public policy, social security, social medicine and health management, public organization and human resources, economics of real estate and labor economics. The School is host of a national-level postdoctoral research station, and the Secretariat of National MPA Education Steering Committee.

- Need to learn of the rapid development of China? Want to get a timing understanding of the new economic giant? IMPA programme is offered by the top school in public administration in China at Renmin University of China in Beijing.

- The programme is designed specially for foreign applicants who need to or expect to work on jobs related to China issues. The teaching faculty consists of most experienced professors with both China and Western education backgrounds from Renmin University, other top universities in China and other countries. Scholarships are available and tuition are affordable.

Eligibility

- Foreign nationals, Bachelor degree or above, with recommendations of two associate professors or higher, providing a certificate of competence in English, under 40 years old.
