

INTERNATIONAL MBA BUSINESS SCHOOL RENMIN UNIVERSITY OF CHINA

The International MBA (IMBA) program, ranked at No. 39 in the World by FT, boasts award-winning faculty with expertise in Chinese and international business practices, reflecting the School's mission "to contribute Chinese management wisdom and global leadership talents to the world." We aim to foster inclusive leaders who make optimized business decisions based upon technical foundations, a socially responsible perspective and management practice. The IMBA curriculum is carefully crafted to offer a practical approach (company visits and lectures are integrated throughout all the core courses) to training in management practices and offer two specializations (Global Leadership and Finance).

RMBS welcomes students with diverse backgrounds looking to move on to the next stage of their global career.

Tuition

RMB 89,000 (per academic year)

What Will I Learn?

- Our job here in the IMBA is to provide students with the skills needed for a successful global career. Upon graduation, you will be equipped with technical foundations in fields such as finance, operations management, accounting, etc., and analytical skills in making complex business decisions.
- In addition, an RMBS IMBA Advisory Committee was specifically established to restructure, review and revise each year's curriculum to ensure the quality of our program.

Core Courses

- Human Resource Management
- Corporate Finance
- Data Modeling and Decision-making
- Financial Accounting
- Managerial Communications
- Management Information Systems
- Managerial Economics
- Marketing
- Operations Management
- Organizational Behavior
- Strategic Management

Apart from our own courses, IMBA students can also choose courses from our Law School, School of Finance, School of Economics, International Summer School (over 130 English courses) and International Master of Public Administration program.

General Courses (Mandatory)

- Mandarin
- Chinese History and Culture

IMBA Career Tracks

- Requires students to complete 4 indicated electives under each track
- An official RMBS Career Track Certificate will be awarded upon graduation
